MAY 14 1952

Assistant Director, Scientific Intelligence

Draft of OSI History.

1. Attached hereto is the original and one copy of a draft of the OSI History as requested by your memorandum on the subject dated 3 April, 1952.

2. Certain tabs, consisting primarily of organization and personnel charts as noted in the text, are being prepared and will be delivered in approximately two weeks.

3. Because of the previous delays in completing this paper, and the consequent urgency of the matter, I am forwarding the draft without the usual review in the Assistant Director's Office. Copies are being circulated at the appropriate levels in OSI, however, and we will probably have further suggestions.

4. I suggest that you feel free to discuss the draft directly with the Production Staff in order that a final paper may be agreed upon as expeditiously as practicable. I shall be pleased to discuss ~~any aspects~~ of it with you as you may deem necessary.
